

Every Child Counts: Building Community

Do you have a child that seems different from the rest of the children in the group? Someone who usually plays by himself and when he asks to join others in play, they usually say, “No.” This professional development program will help participants learn how to bring out nurturing, caring behaviors in children to create a community where children support each other. Share ways to help children rise from being loners in the group to being leaders.

Location: Iowa State University Extension and Outreach, Humboldt County
727 Sumner Ave. in Humboldt

Date: April 2

Time: 6:30 PM – 8:30 PM
