

On MAY 5, 2010, and throughout the entire month of May, teens can enter the STAY TEEN NATIONAL DAY QUIZ. The short, scenario-based quiz (available in English & Spanish) challenges young people to consider what they would do in a number of situations. It helps teens understand that they are NOT INVINCIBLE, and that teen pregnancy can happen to even THEM. There is also a discussion guide available for parents/trusting adults to use with their teens.

For more information, contact the **CAPP Coordinator** at 515-832-1791 ext. 204
