Sixty percent of all funds that Building Families Early Childhood expends on family support programming must include a home visitation component. Early Childhood Iowa (ECIA) Boards are strongly encouraged to support programs implementing evidence-based family support and parent education practices.

See [Tool FF](#) for additional requirements.

Preschool Programming Support for Low Income Families – This categorical funding was legislated to assist low-income parents with tuition for preschool and other supportive services for children ages three, four, and five who are not attending kindergarten in order to increase the basic family income eligibility requirement to not more than 200 percent of the federal poverty level; and for preschool program expenses not covered under chapter 256C (Statewide Voluntary Preschool Program for Four-Year-Old Children). In addition, if sufficient funding is available after addressing the needs of those who meet the basic income eligibility requirement, an ECIA board may provide for eligibility for those with a family income in excess of the basic income eligibility requirement through use of a sliding scale or other copayment provision.

See [Tool CC](#) for additional requirements.

Quality Improvement Funds – These funds are used to improve the quality of early care, health and education projects and programs that:

- Support quality improvement efforts.
- Are evidence-based, quality practices and services, that have been proven to positively affect outcomes for children

- Align with the community plan and identified ECIA priorities.
- Staffing necessary to fulfill ECIA board administrative responsibilities

2.5 Amendment to the RFP and Bid Proposal and Withdrawal of Bid Proposal

Building Families reserves the right to amend the RFP at any time. The bidder shall acknowledge receipt of an amendment in its proposal. If the amendment occurs after the closing date for receipt of bid proposals, Building Families may, in its sole discretion, allow bidders to amend their bid proposals if necessary.

Any bid proposal received after this deadline will be rejected and returned unopened to the bidder. Bidders mailing bid proposals must allow ample mail delivery time to ensure timely receipt of their bid proposals. It is the bidder's responsibility to ensure that the bid proposal is received prior to the deadline. Postmarking by the due date will not substitute for actual receipt of the bid proposal by Building Families. Electronic mail and faxed bid proposals will

not be accepted.

2.7 Bid Proposal Opening

Building Families will open bid proposals on April 4th. The bid proposals will remain confidential until the Grant Review Committee has reviewed the entire bid proposals submitted in response to this RFP and Building Families has announced a notice of intent to award a contract. See Iowa Code Section 72.3.

2.8 Costs of Preparing the Bid Proposal

The costs of preparation and delivery of the bid proposal are solely the responsibility of the bidder.

2.9 Rejection of Bid Proposals

Building Families reserves the right to reject any or all bid proposals, in whole and in part, and to cancel this RFP at any time prior to the execution of a written contract. Issuance of this RFP in no way constitutes a commitment by Building Families to award a contract.

2.10 Disqualification

Building Families shall reject outright and shall not evaluate proposals for any one of the following reasons:

- ✓ The bidder fails to deliver the bid proposal by the due date and time.
- ✓ The bidder states that a service requirement cannot be met.
- ✓ The bidder's response materially changes a service requirement.
- ✓ The bidder's response limits the rights of Building Families.
- ✓ The bidder fails to include information necessary to substantiate that it will be able to meet a service requirement. A response of "will comply" or merely repeating the requirement is not sufficient.
- ✓ The bidder fails to respond to Building Families' request for information, documents, or references.
- ✓ The bidder fails to include any signature, certification, authorization, stipulation, disclosure or guarantee requested in section 4 of this RFP.
- ✓ The bidder presents the information requested by this RFP in a format inconsistent with the instructions of the RFP.
- ✓ The bidder initiates unauthorized contact regarding the RFP with Board Members.
- ✓ The bidder provides misleading or inaccurate responses.
- ✓ The bidder does not submit a completed RFP or fails to complete all required information on the RFP.

2.11 Nonmaterial and Material Variances

Building Families reserves the right to waive or permit cure of nonmaterial variances in the bid proposal's form and content providing, in the judgment of Building Families, such action is in the best interest of Building Families. Nonmaterial variances include

minor informalities that do not affect responsiveness; that are merely a matter of form or format; that do not change the relative standing or otherwise prejudice other bidders; that do not change the meaning or scope of the RFP; or that do not reflect a material change in the services. In the event Building Families waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the bidder from full compliance with RFP specifications or other contract requirements if the bidder is awarded the contract. The determination of materiality is in the sole discretion of Building Families.

2.12 Reference Checks

Building Families reserves the right to contact any reference to assist in the evaluation of the bid proposal, to verify information contained in the bid proposal and to discuss the bidder's qualifications and the qualifications of any subcontractor identified in the bid proposal.

2.13 Information from Other Sources

Building Families reserves the right to obtain and consider information from other sources concerning a bidder, such as the bidder's capability and performance under other contracts.

2.14 Verification of Bid Proposal Contents

The contents of a bid proposal submitted by a bidder are subject to verification. Misleading or inaccurate responses shall result in disqualification.

2.15 Criminal History and Background Investigation

Building Families reserves the right to conduct criminal history and other background investigation of the bidder, its officers, directors, shareholders, or partners and managerial and supervisory personnel retained by the bidder for the performance of the contract.

2.16 Bid Proposal Clarification Process

Building Families may request clarification from bidders for the purpose of resolving ambiguities or questioning information presented in the bid proposals. Clarifications may occur throughout the bid proposal evaluation process. Clarification responses shall be in writing and shall address only the information requested. Responses shall be submitted to Building Families within the time stipulated at the occasion of the request.

2.17 Disposition of Bid Proposals

All bid proposals become the property of Building Families and shall not be returned to the bidder unless all bid proposals are rejected or the RFP is cancelled. In either event, bidders will be asked to send prepaid shipping instruments to Building Families for return of the bid proposals submitted. In the event Building Families does not receive shipping instruments, Building Families will destroy the bid proposals. Otherwise, at the

conclusion of the selection process, the contents of all bid proposals will be in the public domain and be open to inspection by interested parties subject to exceptions provided in Iowa Code Chapter 22 or other applicable law.

2.18 Public Records and Request for Confidential Treatment

All information submitted by a bidder may be treated as public information by Building Families following the conclusion of the selection process unless the bidder properly requests that information be treated as confidential at the time of submitting the bid proposal. Building Families' release of information is governed by Iowa Code Chapter 22. Bidders are encouraged to familiarize themselves with Chapter 22 before submitting a proposal. Building Families will copy public records as required to comply with the public records laws.

Any request for confidential treatment of information must be included in the transmittal letter with the bidder's bid proposal. In addition, the bidder must enumerate the specific grounds in Iowa Code Chapter 22 or other applicable law, which support treatment of the material as confidential and explain why disclosure is not in the best interest of the public. The request for confidential treatment of information must also include the name, address, and telephone number of the person authorized by the bidder to respond to any inquiries by Building Families concerning the confidential status of the materials.

Any bid proposal submitted which contains confidential information must be conspicuously marked on the outside as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as containing confidential information. Identification of the entire bid proposal as confidential shall be deemed non-responsive and disqualify the bidder.

If the bidder designates any portion of the RFP as confidential, the bidder must submit one copy of the bid proposal from which the confidential information has been excised. This excised copy is in addition to the number of copies requested in section 4 of this RFP. The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the bid proposal as possible.

Building Families will treat the information marked confidential as confidential information to the extent such information is determined confidential under Iowa Code Chapter 22 or other applicable law by a court of competent jurisdiction.

In the event Building Families receives a request for information marked confidential, written notice shall be given to the bidder seventy-two (72) hours prior to the release of the information to allow the bidder to seek injunctive relief pursuant to Section 22.8 of the Iowa Code.

The bidder's failure to request confidential treatment of material pursuant to this section and the relevant law will be deemed by Building Families as a waiver of any right to confidentiality which the bidder may have had.

2.19 Copyrights

By submitting a bid proposal, the bidder agrees that Building Families may copy the bid proposal for purposes of facilitating the evaluation of the bid proposal or to respond to requests for public records. The bidder consents to such copying by submitting a bid proposal represents and warrants that such copying will not violate the rights of any third party. Building Families shall have the right to use ideas or adaptations of ideas that are presented in the bid proposals.

2.20 Release of Claims

By submitting a bid proposal, the bidder agrees that it will not bring any claim or cause of action against Building Families based on any misunderstanding concerning the information provided herein or concerning failure, negligent or otherwise, to provide the bidder with pertinent information as intended by this RFP.

2.21 Presentations

Bidders may be required to make a presentation of the bid proposal. The presentation may occur at Building Families' offices or at the offices of the bidder. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of Building Families. The presentation may include slides, graphics and other media selected by the bidder to illustrate the bidder's bid proposal. The presentation shall not materially change the information contained in the bid proposal.

2.22 Evaluation of Bid Proposals

Bid proposals that are timely submitted and are not subject to disqualification will be reviewed in accordance with Section 5 of the RFP.

2.23 Notice of Intent to Award

Notice of Intent to Award the contract will be sent by mail to all bidders submitting a timely bid proposal. The Notice of Intent to Award is subject to execution of a written contract and, as a result, the Notice does not constitute the formation of a contract between Building Families and the apparent successful bidder. Contracts will not be issued until the State ECI team has approved Building Families' FY 2024 Budget.

All proposals will be evaluated numerically. However, the highest evaluation score does not constitute an award. Building Families Board will evaluate the proposals based on the need of the Early Childhood Area, the funding amount and requirements for each "carve out", and the priority of the project or proposal as determined by the Board.

2.24 Acceptance Period

Negotiation and execution of the contract shall be completed no later than June 30, 2023. If the apparent successful bidder fails to negotiate and execute a contract, in its sole discretion, Building Families may revoke the award and award the contract to the next

highest ranked bidder or withdraw the RFP.

Building Families further reserves the right to cancel the award at any time prior to the execution of a written contract.

2.25 Review of Award Decision

Bidders may request review of the award decision by filing a written appeal to:

Dan Campidilli, Chairperson
2300 Superior Street
Webster City, IA 50595

The appeal must be filed within five (5) working days after the Notice of Intent to Award is issued. The request to review the award decision must be in writing and must clearly and fully identify all issues being contested by reference to the page and section number of the RFP. The Board Chair shall review the award decision based on the same information that was before the Grant Review Committee. An evidentiary hearing will not be conducted. The Board Chair shall issue a written decision within ten (10) working days of receipt of the review request. The decision of the Board Chair shall be final. A request to review the award decision shall not stay negotiations with the apparent successful bidder.

2.26 Definition of Contract

The full execution of a written contract shall constitute the making of a contract for services and no bidder shall acquire any legal or equitable rights relative to the contract services until the contract has been fully executed by the apparent successful bidder and Building Families.

2.27 Choice of Law and Forum

This RFP and the resulting contract are to be governed by the laws of the State of Iowa. Changes in applicable laws and rules may affect the award process or the resulting contract. Bidders are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFP shall be brought in the appropriate Iowa forum.

2.28 Restrictions on Gifts and Activities

Iowa Code Chapter 68B restricts gifts which may be given or received by state employees and requires certain individuals to disclose information concerning their activities with state government. Bidders are responsible to determine the applicability of this Chapter to their activities and to comply with the requirements. In addition, pursuant to Iowa Code section 722.1, it is a felony offense to bribe or attempt to bribe a public official.

2.29 No Minimum Guaranteed

Building Families anticipates that the selected bidder will provide services as requested by Building Families. Building Families will not guarantee any minimum compensation will be paid to the bidder or any minimum usage of the bidder's services.

SECTION III: INSTRUCTIONS, SERVICE REQUIREMENTS, AND CONTENT OF BID PROPOSALS

Appendix 1: Building Families Community Plan Priorities

Priorities of the Building Families Early Childhood Iowa Area Board

Priority	Rationale for Identification/Deletion of Priority
Enhance the health, growth, and development of children and adults in the family unit.	The Building Families Board believes that this is a priority that still exists for our service area and it is vital to improving household environments for the long-term. As shown through data collected by area partners, there is evidence to demonstrate that Parent Education and Family Support are the number one priority. Developing healthy, independent and successful children and families begins by educating and supporting parents and guardians in their roles with child rearing.
Improve the availability and quality of childcare and preschool programming.	Childcare is a necessity in every community so parents/guardians may participate in the workforce or improve their education. It is also clear in the data collected by our partners that there is a serious lack of quality childcare in the service area. As a result, it is important to the Building Families Board that investments be made to support the availability as well as the quality of child care and preschool programming that helps to meet the Board's vision.
Provide training and support to the early childhood workforce in order to enhance children's health, safety, developmental skills, and abilities.	Building Families is committed to ensuring that the individuals that have access to the children in child care or preschool settings have adequate and appropriate training and support. The high turnover rates reported by area childcare centers ensure that training will remain a priority over the coming years.
Increase the public's awareness of our programs existence and the positive impact they make in the service area.	Over and over again, the Board has identified this as a priority that must be addressed. Much of the public is unaware of the services provided by Building Families to support young children and their caregivers as well as the positive impact these services have on their communities. This lack of awareness means some families that could benefit from our services go unserved and makes it a challenge to build public will for investing in our services.

Proposals must align with one or more of these priorities to be eligible for funding. To view the entire Community Plan please visit <http://www.buildingfamilies.net/board-of-directors/annual-reports-and-strategic-plan/>.
